NumPy Trademark Assignment Agreement

This Agreement is between NumFOCUS, Inc., a Texas 501(c)(3) charitable non-profit corporation with an address of P.O. Box 90596, Austin, TX 78709 ("NumFOCUS") and the undersigned (individually or collectively the "Assignor").

NumPy ("Project") is an open source software project. The undersigned is/are leaders of the Project and, individually or collectively, own all rights, title, and interests in and to the trademarks, service marks, logos, and slogans, and their registrations if any, associated with the Project and the related assets associated with the Project, as set forth in Exhibit A (collectively, the "Marks").

In conjunction with assistance provided by NumFOCUS to the Project, to ensure that NumFOCUS may manage the project's assets (including the Marks) for the benefit of all its members consistent with the objectives and principles of open source software development, Assignor desires to assign the Marks to NumFOCUS and NumFOCUS is willing to acquire the Marks.

Therefore:

1.   Assignor hereby assigns, and NumFOCUS hereby receives, all of Assignor's rights, title and interest of every kind in the Marks, including as a title, name, designation, trade name and trademark, together with the goodwill of the business symbolized thereby and all applications and registrations pertaining thereto, and including the right to sue for current and past infringements.

2.   Assignor confirms that it owns the Marks, that it is not aware of any other person or entity who might claim to own the Marks, and that it has the right to assign them to NumFOCUS.

3.   Assignor hereby executes the attached Confirmatory Trademark Assignment(s), to be used for purposes of recordation at any national Trademark Office.

4.   The parties agree that NumFOCUS shall own any newly-created trademarks, logos, and slogans associated with the Project.

5.   Assignor will execute and furnish NumFOCUS all other documents and perform all additional acts that may be necessary to accomplish a valid and lawful assignment of the Marks. Assignor further hereby irrevocably designates NumFOCUS as Assignor's agent to take on Assignor's behalf all actions Assignor is required to take under the Agreement.

6.   This Agreement will be binding upon and inure to the benefit of the parties, their successors, assigns, and affiliated and related companies.

The Agreement is effective on the date that the last party signs.
